**About *Super Lawyers* and *Rising Stars***

*Super Lawyers*, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement.

No more than five percent of the lawyers in the state are selected by *Super Lawyers*. The annual selections are made using a rigorous multi-phased process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area.

In 1998, *Super Lawyers* launched *Rising Stars* in Minnesota to recognize the top up-and-coming attorneys in the state – those who are 40 years old or younger, or who have been practicing for ten years or less.
