

MOSS & BARNETT HOSTS NEW PROGRAM, **MINNESOTA LAW, ON WCCO RADIO**

Minnesota Law

presented by Moss & Barnett

Moss & Barnett and WCCO Radio recently partnered to present a new radio program, *MINNESOTA LAW*. The hour-long show, which airs Saturday afternoons at noon, focuses on interesting law facts, important new developments in the law, and other topical information. A different Moss & Barnett attorney and topic will be featured each week. Listeners will have an opportunity to ask general legal questions of the Moss & Barnett attorneys featured on each show.

The show is hosted by Tom Shroyer, Moss & Barnett's President and CEO and an attorney with over 30 years of experience, and WCCO Radio's Steve Thomson, a ten-year veteran of the station. Moss & Barnett's backup hosts are Susan Rhode, co-chair of our family law practice group, and John Rossman, chair of our creditors' remedies and bankruptcy practice group.
