

JIM RUBENSTEIN TO CHAIR MID-MINNESOTA LEGAL AID BOARD

We are pleased to announce that **Jim Rubenstein**, a member of our creditors' remedies and bankruptcy practice area, was recently elected President of the Board of Mid-Minnesota Legal Aid. This board is the product of a merger earlier this year of three branches of Legal Aid (Minneapolis, St. Cloud, and Willmar) into their parent corporation to form one organization – Mid-Minnesota Legal Aid. Jim served on the steering committee that guided this merger, and he and his wife, Andrea Rubenstein, have been involved with Legal Aid as donors and volunteers since the beginning of their legal careers. We are pleased to report that Jim is the fourth Moss & Barnett attorney to serve as chair of the Legal Aid board serving the Minneapolis area. The other three chairs were **Deanne Greco** (retired), **Tom Keller**, and **Chuck Parsons**. Legal Aid and its experienced attorneys, paralegals, and support staff assist clients with legal issues relating to their homes, incomes, families, disabilities, and health, providing a full range of legal services from individual counseling and administrative advocacy to representation in litigation. Thank you, Jim, for your service to our community!
