

Moss & Barnett Spirit of Giving

While we pursue our professional goals, we also endeavor to improve the quality of life in our communities and around the world. Members of the Moss & Barnett team apply the same dedication to service by making significant contributions of their time and resources to charitable organizations important to all of us.

Hawai'i Community Foundation Maui Strong Fund

In keeping with the Moss & Barnett tradition of helping out with relief funding for community crises and major natural disasters, our board of directors determined to contribute to the **Hawai'i Community Foundation (HCF) Maui Strong Fund** to assist the people affected by the devastating wildfires that ravaged Maui in August 2023 by matching employee contributions up to \$10,000. The firm's employees stepped up to the plate and met that challenge, which the firm then matched. The wildfires have left a deep scar, taking away lives, homes, historical sites, places of employment, and more. HCF shared one example of the impact our and other contributions are having on the ground in Maui: Na Keiki o Emalia is a Maui organization offering direct grief support services for children, teens, and families affected by the Maui fires. The organization is offering peer-to-peer support groups for children and teens, and separate groups with their parents, while also providing toys, art activities, food, and other supplies through a drop-in space at its office near Maui Memorial Hospital. It is our wish that Maui emerges stronger than ever from this crisis.
