

Community Investment

Community Investment

At Moss & Barnett, we are committed to giving back to the communities that have given so much to us. We serve through our leadership of the bar, our provisions of pro bono legal services, and our participation in numerous charitable and faith-based institutions. We also provide financial support to diverse civic, religious, social action, and cultural organizations around the Twin Cities and Greater Minnesota.

In addition to our wide-ranging charitable work, we strive to increase access to legal services for underserved communities. Our lawyers play leading roles in Mid-Minnesota Legal Aid, The Fund for Legal Aid, Volunteer Lawyers Network, and the Minnesota Justice Foundation. We also routinely serve on and hold leadership positions in numerous bar committees and organizations, including the Minnesota Board on Judicial Standards and the Fourth District Ethics Committee.

M&B Cares

In 2017, Moss & Barnett launched **M&B Cares**, a firmwide initiative that supports and coordinates our team's volunteer work. The M&B Cares committee collaborates with a variety of civic, charitable, and other community service organizations to help our team better serve the community. M&B Cares is committed to benefitting a different cause at least quarterly by providing volunteers for projects along with financial contributions.

Moss & Barnett lawyers and staff also contribute on a routine basis to other organizations by providing food, clothing, and other necessary items in addition to donating their time directly.

"We are very grateful for our employees who endeavor to improve the quality of life in our communities and are thankful to our firm for assisting with those efforts by providing its support and recognition to them," said Jane Aune Deach, a director on Moss & Barnett's board of directors and chair of M&B Cares. She serves on the M&B Cares committee with attorney Jessica Brigman, paralegal Katie Daugherty, recovery coordinator Joylina Distel, legal assistant Maureen Montpetit, finance director Phil Rush, and business development director Shannon Wiger.
