### **PRACTICE AREAS:** Family Law

---

Debra is committed to compassionate advocacy and understands that creating a new normal for a transitioning family is not a one-size-fits-all approach. She assists and strategizes with clients to develop creative and effective solutions to complex family matters, including dissolution proceedings, paternity, custody, parenting time, child support, spousal maintenance, orders for protection, distribution of marital assets and debts, and the many other issues today's families face.

Debra is a Qualified Neutral under Rule 114 of the Minnesota General Rules of Practice, available to offer families facilitative family law mediation virtually or remotely.

Debra clerked for the Honorable Mary Madden in the Fourth Judicial District, Hennepin County Family Court. Prior to joining Moss & Barnett, she served as the Legal Assistance for Victims Project Attorney at Standpoint, providing holistic legal services to survivors of domestic and sexual violence. During law school, Debra served as the Student Director of the Family and Immigrant Justice Clinic where she tried three domestic relations cases, including a complex third-party custody and divorce matter.
