

## Jeremy M. Budd

Technology Director

150 South Fifth Street  
Suite 1200  
Minneapolis, MN 55402

612-877-5306  
Jeremy.Budd@lawmoss.com

As the head of technology at Moss & Barnett, Jeremy is responsible for implementing innovative solutions that drive efficiency, reduce costs, and improve user experience, while also maintaining the highest levels of information security. With a proven track record of delivering exceptional results, Jeremy is committed to staying at the forefront of the latest technological advancements to help Moss & Barnett maintain a competitive edge in the industry. He is known for his strong leadership skills, attention to detail, and unwavering dedication to the firm's attorneys, staff, and clients.

With nearly a decade of experience in the legal industry, Jeremy is a seasoned technology manager who has developed a deep understanding of the unique technology needs of law firms. Throughout his career, Jeremy has demonstrated a passion for using technology to solve complex problems and drive positive change for practice groups. He has a proven track record of delivering best-in-class solutions that meet and exceed the expectations of attorneys and their clients. Whether it's implementing new software applications, upgrading hardware systems, or providing IT consulting, Jeremy is committed to delivering exceptional results that help Moss & Barnett maintain a competitive edge in the industry.

In addition to his technical expertise, Jeremy is known for his ability to collaborate effectively with stakeholders across the firm. He has a keen understanding of the business side of law and works closely with attorneys and staff to ensure that the firm's technology solutions align with its broader strategic objectives. His strong leadership skills and attention to detail make him a trusted partner for Moss & Barnett's leadership, who rely on his guidance and expertise to navigate the rapidly evolving landscape of legal technology.

Jeremy is deeply committed to staying at the forefront of the latest technological advancements while providing a stable and consistent user experience. He actively seeks out new tools, techniques, and best practices to help Moss & Barnett continue to innovate and improve its service to clients.
