

# Consumer Law: Innovative Strategies for Avoiding and Defeating TCPA Lawsuits

Minnesota CLE Webcast  
01.10.2019 | 12:00 p.m.  
Event Sponsor: Minnesota Continuing Legal Education

As the case law interpreting and applying the Telephone Consumer Protection Act (TCPA) continues to emerge and evolve, join us for an important presentation that discusses the current state of affairs. This presentation includes:

- A summary of the TCPA as it applies to calls made to mobile phones
- A brief review of case law and regulatory guidance regarding the TCPA
- How to assert a consent defense
- Defenses to claims that a telephony device is an automatic telephone dialing system (ATDS)
- Strategies for defeating TCPA class actions
