

Enhancing Emotional Intelligence

Women in Consumer & Commercial Finance Virtual Conference

12.09.2020 | 12:35 p.m.

Event Sponsor: Women in Consumer & Commercial Finance Virtual Conference

The ability to be self-aware and moderate our own emotions while being empathetic and understanding to others can be a tall order in any aspect of life, but it can be especially challenging in the professional setting. We'll help get your EI in check at this session.
