Event Sponsor: Fresh Energy

Ryan P. Barlow, Patrick T. Zomer, and Moss & Barnett are pleased to be Friends of the Future Sponsors of the Fresh Energy 2024 Benefit Breakfast, "Hope in Action: Driving Change for Climate Solutions," taking place on October 9, 2024, at St. Paul RiverCentre in St. Paul, Minnesota.

We hope you will join us on October 9, 2024, for an inspiring and hope-filled Benefit Breakfast with nationally known marine biologist, policy expert, and author Dr. Ayana Elizabeth Johnson alongside Fresh Energy staff and other special guests. If you can't attend in person, please be sure to register for a ticket for the virtual event.

You won't want to miss this year's program that will feature intimate and honest conversations about how we can find optimism in climate solutions and why Fresh Energy's work taking on some of the biggest decarbonization challenges is inspiring Minnesotans to have hope for the future. We will also debut Fresh Energy's bold new strategic framework.

All proceeds from this dynamic event will support Fresh Energy's work to design, influence, and implement equitable policy to continue ambitiously advancing a carbon-neutral economy in Minnesota and the Midwest.
