

# Becoming a Better Testifying Expert – Seen it all...Done it all...Fire Away!

AICPA 2017 Forensic & Valuation Services Conference, Las Vegas, Nevada  
11.14.2017

Learn from a panel of seasoned experts for an open forum on anything testimony-related. This session will provide an opportunity to new or seasoned experts to ask the panelists anything about any area of testifying. Bring your questions about testimony preparation, avoiding the pitfalls of testifying, the deposition process, aspects of courtroom testimony, or general questions about testifying in other venues. We look forward to a lively discussion about all things testimony-related!

## **Learning Objectives:**

- Candid responses to participant questions
- Tips for making testimony more effective
- Varied roles in the courtroom and other venues
- Biggest lesson learned from each panelist

## **Practice Areas**

Professional Liability
