Jana Aune Deach and Moss & Barnett are pleased to be a Silver Sponsor of the American Academy of Matrimonial Lawyers-Minnesota's 2022 Divorce Camp.

This year's camp is all about negotiation. When people think of family law, they may think of courtrooms, judges, and trials — direct and cross examinations, exhibit binders, and brilliantly executed arguments. But most of our work takes place outside of the courtroom as we try to craft resolutions that build bridges across difference. We do that through negotiation in all its many forms — alternative dispute resolution, good old-fashioned phone calls, settlement meetings, etc. Negotiation is a critical part of every family law professional's job. Join the American Academy of Matrimonial Lawyers Minnesota Chapter at Divorce Camp 2022 to maximize your negotiation skills.
