Event Sponsor: She Leads 2024 Leadership Conference by Growth By Design

You are great at running or leading your business, and do not always have time (or desire) to think about the legal aspects! Jessica will cover some recent changes in the law that may have an impact on your business, talk a little bit about data privacy and security issues that may impact your online presence, and generally about why it matters how your entity is structured (e.g., LLC, Inc.).

Jessica Brigman, Naomi Michel, and Moss & Barnett are proud to be a sponsor of the She Leads 2024 leadership conference exclusively for women.
