

# Retainage Law and Legislative Update: 2016 and Beyond

Minnesota Plumbing-Heating-Cooling Contractors Association 121st Annual Convention & Vendor Show, Minneapolis Marriott Northwest, Brooklyn Park, MN  
02.09.2017

MN PHCC's Annual Convention is geared towards contractors, owners, and managers in the p-h-c industry. This year's program delivered sessions designed to help them operate your business more effectively and help them become a stronger, better and more professional contractor.

Attendees learned from key professionals on topics such as succession and estate planning, the retainage bill, how to protect themselves on the web, and much more. They also attended roundtable discussions with their industry colleagues on troubleshooting and best practice sharing.
