An excerpt from the article, "SC Times/Local IQ introduces the 2021 class of 5 Under 40 award winners," appears below:

"Why work against each other when you could work together? Not words you expect from a lawyer — but Alex Schoephoerster is out to prove most lawyers aren't like the jokes you hear. He was drawn to business law because of its collaborative nature. In his off time, he's also working together with other board members toward the success of Big Brothers Big Sisters of Central Minnesota, and toward the success of his little sibling, whom he mentors as part of a Big Duo with his wife."
