

Brian T. Grogan Selected to The Minnesota 500, The Most Powerful Business Leaders in Minnesota | 2020

Minnesota 500
11.10.2020

Moss & Barnett congratulates Brian T. Grogan, Moss & Barnett's president and chief executive officer, who was selected to "The Minnesota 500, The Most Powerful Business Leaders in Minnesota | 2020," a publication produced by Greenspring Media, the publisher of *Minnesota Monthly*, which celebrates Minnesota's leading business executives across myriad industries and in companies across the state. After lengthy research and due diligence, the MN500 editors have selected the top 500 Minnesota executives for the impact they continue to make not only at their workplaces and industries, but on their communities.

In addition to serving as Moss & Barnett's president and CEO, Brian practices law on a full-time basis providing counsel on regulatory compliance and transactional opportunities in an area of law marked by innovation and continually evolving laws and regulations. He advises and represents municipal entities across the nation, established companies, new businesses, and trade associations in their complex contract negotiations and regulatory proceedings.

Brian's innovative, visionary, and compassionate leadership has been instrumental to the ongoing success of Moss & Barnett, and we are honored to know him as our colleague and friend.
