

M&B Cares – A Year in Review (2021)

Moss & Barnett Advocate (Winter 2022 edition)
02.01.2022

While in-person volunteer opportunities were limited due to COVID-19 considerations, our team at Moss & Barnett found other ways to give back to our communities and engage in acts of service. Our M&B Cares initiative led the following service projects in 2021:

Valentines for Seniors

M&B Cares created and designed over 500 Valentine's Day cards for senior residents at the Presbyterian Homes-Johanna Shores facility in Arden Hills, Minnesota.

FamilyWise

M&B Cares collected healthy snacks and toys for FamilyWise, a nonprofit organization that offers supervised parenting and safe exchanges between non-custodial parents and their children.

Nurture Newborns

The M&B Cares Committee made a cash donation to Nurture Newborns, an affiliate of Emerge Mothers Academy, a nonprofit organization. Nurture Newborns is an annual student-led fundraiser dedicated to providing free newborn and infant supplies to parents in need.

Hennepin Healthcare Inpatient Psychiatry

M&B Cares learned that, for a variety of reasons, many patients admitted to Hennepin Healthcare Inpatient Psychiatry arrive without footwear. To address this need, we ran a shoe drive for the month of September 2021 and collected over 150 pairs of shoes to ensure that patients who need shoes have them at discharge.

Hope Academy Christmas Book Giveaway

M&B Cares purchased and gift wrapped copies of two books, *A Wrinkle in Time* and *One Crazy Summer*, for students at Hope Academy. Hope Academy is a private inner-city school serving over 700 K-12 students in the Minneapolis area.
