About Super Lawyers and Rising Stars

Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. No more than five percent of the lawyers in the state are selected by Super Lawyers. The annual selections are made using a rigorous multi-phased process that includes a statewide survey of lawyers, an independent research evaluation of candidates, and peer reviews by practice area.

In 1998, Super Lawyers launched Rising Stars in Minnesota to recognize the top up and coming attorneys in the state – those who are 40 years old or younger, or who have been practicing for ten years or less.
