*Best Lawyers* bases its selection entirely on peer-review, designed to capture, as accurately as possible, the consensus opinion of leading lawyers about the professional abilities of their colleagues within the same geographical and legal practice areas. *Best Lawyers* then compiles lists of outstanding attorneys and publishes an annual referral guide, *The Best Lawyers in America*®.

### **About Best Lawyers:**

Since it was first published in 1983, *Best Lawyers* has become universally regarded as the definitive guide to legal excellence. Because *Best Lawyers* is based on an exhaustive peer review survey in which more than 36,000 leading attorneys cast almost 4.4 million votes on the legal abilities of other lawyers in their practice areas, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in *Best Lawyers* is considered a singular honor.
