

Moss & Barnett Launches New Website

03.11.2019

Moss & Barnett law firm is pleased to announce the launch of its completely redesigned law firm website, LawMoss.com. A fresh, bold design; simple search and navigation features; greater resources; and more in-depth information highlight the firm's new online home. This new website highlights the firm's growing roster of attorneys and provides an interactive, user friendly experience.

"Moss & Barnett has experienced substantial growth over the last several years, and we wanted to introduce an innovative new website to showcase our exceptional employees and the services we offer to our outstanding clients," said Brian Grogan, Moss & Barnett's President and Chief Executive Officer.
