

Minnesota Family Law Financial Deskbook, Third Edition (2016)

Jana Aune Deach (Co-editor)
Minnesota State Bar Association Continuing Legal Education
01.01.2016

A talented group of attorneys and financial experts with specialized knowledge of the financial implications of divorce and other family law matters have contributed insight to the *Family Law Financial Deskbook*. It is a one-stop guide to determining gross income, tracing assets, valuing businesses and real estate, tax planning, calculating child support and maintenance, avoiding mistakes when dealing with the financial aspects of divorce, and more. Enhanced by practice tips and author's notes – making it feel as though the experts are right there in the office – the *Family Law Financial Deskbook* is the most user-friendly, comprehensive authority on financial matters related to divorce.
