

Business Litigation

Our attorneys have a broad range of experience in handling complex commercial disputes and representation of public and private companies in contract disputes, business torts, risk assessment, litigation avoidance. Our diverse corporate clients include national and international corporations, as well as local and regional businesses across a wide range of industries and sizes. Our litigators handle the following:

- Contract disputes
- Tortious interference with contracts or business relationships
- Shareholder and partnership disputes
- Breach of fiduciary duty cases
- Disputes over corporate management and control
- Business dissolutions
- Employment disputes
- Disputes over non-compete agreements
- Licensing
- Intellectual Property

We understand that any litigation matter can have a serious impact on our clients and their business. With that, we are committed to developing solutions to help our clients solve their toughest problems, and we approach each new challenge as an urgent business matter to be resolved expeditiously and cost-effectively. We work closely with our clients to develop and implement strategic solutions to meet goals and control costs.

Utilizing the latest technology, we are equipped to organize and manage large document intensive cases and conduct innovative courtroom presentations. Our experience includes not only extensive trial and appellate work, but creative resolution of commercial disputes through alternative dispute mechanisms. However, when trial is unavoidable, our attorneys bring exceptional experience and skill to the court room as well as an impressive record of success.
