

Construction

Amundsen Davis is the construction industry's premier comprehensive legal services provider. We know the industry in a way that no other law firm does. Many of our attorneys having worked in the industry and regularly provide the following legal services to the following industry partners:

CORPORATE/CONSTRUCTION

- Outside general counsel services, offering legal and business advice on issues as encountered
- Analyzing, drafting, and negotiating construction contracts
- Providing emergency response services during OSHA investigations and other catastrophic events
- Managing OSHA inspections
- Evaluating existing and necessary insurance coverage, including commercial general liability, professional liability, builders' risk, contractor-controlled, and owner-controlled (wrap-up) policies
- Evaluating and developing alternatives to traditional coverage schemes

LITIGATION/CONSTRUCTION

- Defending catastrophic personal injury, property damage, environmental and toxic exposure claims arising in the construction setting
- Litigating commercial and contract claims
- Perfecting and litigating mechanics lien and bond claims
- Defending complex construction defect claims
- Contesting and litigating OSHA citations
- Identifying, evaluating, tendering, and enforcing coverage on behalf of design professionals, owners, and contractors

LABOR & EMPLOYMENT /CONSTRUCTION

- **Human Resources** – Counsel as to all aspects of hiring, discipline and termination process, develop workplace policies, conduct investigations, guide through complexities of the ADA and FMLA, VESSA and workers' compensation leave, assess employee classification, and manage wage and hour matters.
- **Union Relations** – Develop union avoidance strategy, negotiate and administer collective bargaining agreements, steer through NLRB election/
