PARALEGAL

Overview

Alice serves as a paralegal on the firm's Insurers Services Group. Working closely with the firm's attorneys, she focuses on litigation involving complex insurance coverage issues, extra-contractual claims, and claims involving personal or commercial lines of insurance.

With a deep understanding and wide experience of eDiscovery in commercial litigation matters, Alice provides case management support for the firm's litigation cases, as well as expert research skills and a full set of tools and experience to support discovery and motion practice.

Her ability to navigate the complexities of insurance coverage disputes make her an integral part of the team. Alice's proficiency and dedication align seamlessly with the firm's client-focused principles.
