## PARALEGAL

### Overview

As a litigation paralegal, Chad (He/Him) has devoted his career to the dynamic nuances of commercial transportation and logistics disputes. He excels in aiding the firm's litigation team with wrongful death, slip and fall, and motor vehicle accident matters.

In his role, Chad brings a keen understanding of the intricacies within the commercial transportation and logistics industry. His role includes conducting due diligence, managing document requests, and ensuring efficient case management across all cases.

Chad's commitment to responsiveness and cost-efficiency aligns seamlessly with Amundsen Davis's values.
