PARALEGAL

Overview

Danielle serves on the firm's Litigation, General Liability, Product Liability, and Transportation & Logistics Service Groups. With a diverse skill set, Danielle plays a pivotal role in various legal aspects, including eDiscovery, deposition transcript categorization (Case Notebook), jury verdict research, weather research, trial experience, collaboration with experts and medical chronologies.

Her extensive experience includes assisting in the defense of product liability cases for major automobile manufacturers. Danielle's involvement extends to being present at proving grounds during vehicle testing, showcasing her hands-on approach in understanding complex cases.

Beyond her dedication to superior client service, Danielle also serves as a member of the Corporate Legal Operations Consortium (CLOC), Compass Pro Bono Consulting Project, American Mock Trial Association, Illinois Paralegal Association, and Chicago Paralegal Association, where she actively engages in fostering connections and staying at the forefront of industry trends.

Outside of work, Danielle performs background work for many of the One Chicago Series and movies filmed in Chicago.
