PARALEGAL

Overview

Michael is a key member of our General Liability and Tort Litigation Service Groups, providing invaluable support to business owners and insurers facing complex legal challenges. His work spans a broad range of cases, including premises liability, negligence, personal injury, and property damage.

In his role, Michael excels at conducting detailed legal research, drafting precise pleadings and motions, and efficiently managing case files to streamline our litigation processes. His commitment to excellence and continuous professional development is further evidenced by his active engagement with the legal community and his efforts to expand his legal knowledge and skills.
