

25 Tech Tips & Tricks

Speaking Engagement

Milwaukee Bar Association, Seminar; Milwaukee, WI

November 19, 2021

With the increasing number of reported data breaches, having the best practices in place to protect businesses and individuals remains a priority. Leading professionals in the technology and legal industries will gather to address timely topics related to security breaches, cyber insurance, virtual mediation, and blockchain.

The keynote speaker for this year's conference will be Phillip Droege, Director of the White House Office of Records Management.

Technology attorney, Andrew Skwierawski will be moderating a panel discussion on the Top 25 tech, tips, and tricks, for 2021 and beyond. Andrew will be joined by Jeffrey S. Krause of Affinity Consulting Group, Olivia Kelley of DeWitt LLP and Kristian "Lars" Larsen of Data Narro.
