

Enforcement of the Affordable Care Act Under the New Administration

Illinois CPA Society Midwest Accounting & Finance Showcase; Rosemont, IL
August 29, 2017 | 2:15 pm - 3:55 pm

The big question remains: How will the new Administration affect employment and labor laws for our future?

During her presentation at the ICPAS Midwest Accounting & Finance Showcase, Kelly Haab-Tallitsch will help attendees understand the changes to the employer and individual mandate penalties, premium tax credits and subsidies, the Cadillac tax, information reporting requirements (Forms 1094-B, 1094-C, 1095-B and 1095-C), and other ACA provisions.

This educational session will leave you ready to respond to HHS marketplace subsidy notices, IRS accessible payment letters, IRS Letter 5699 requesting missing ACA information returns, as well as how to prepare for the future of the ACA—not just in 2018, but beyond.
