

# Handling Poor Employee Performance & Behavior in a Post-Pandemic Workforce without Inviting a Lawsuit

Independent Pharmacy Cooperative; Webcast  
June 16, 2021 | 7:00 PM

We are starting to see an end to the pandemic and as that happens we may start seeing burnt out employees losing their dedication and drive. There should be no reason an employer should have to tolerate bad performance or bad behavior because of fear of confrontation or being left short-staffed.

Join Tom Pienkos for this timely webcast as they walk employers, specifically pharmacy managers and owners, through how to positively coach employees through bad performance and how to protect the company from litigation if termination occurs.
