

Managing Data Security and Privacy Risks

USLAW Network In-House Counsel Forum, Seminar; Minneapolis, MN
October 30, 2019 | 4:15 PM - 5:30 PM

During her session at USLAW Network's 2019 Banking and Financial Services In-House Counsel Forum, Molly Arranz discusses best practices for mitigating and managing data security and privacy risks - from assessment and governance to vendor management and compliance - and how to integrate and document your approach to data risk management. She will also cover how insurance coverage factors into these types of risks.
