

We're Proud to Support the Missouri Botanical Garden

Missouri Botanical Garden
May 6, 2021

Give STL Day brings the region together as one community, raising money and awareness for local nonprofits in 13 St. Louis metropolitan and surrounding areas, including some Illinois counties. In addition to being a resource for donors across the St. Louis region, the initiative amplifies donations during an 24-hour online giving challenge in May. Since its inception in 2014 the event has raised \$17.4 million for local nonprofits.

Our firm is proud to be a corporate partner of the Missouri Botanical Garden and praise their work to support sustainability and resilience in the community. All donations to the Garden will provide critical operating support for the mission-focused work of the Garden: bit.ly/greengiants2021
