## Event

Amundsen Davis, Webcast

August 19, 2020 | Noon - 1:00 PM CT

In today's society, discussions about politics, race, and religion will inevitably enter the workplace. How can employers maintain order and respect in the workplace in the face of free speech?

Attendees joined Beverly Alfon and Heather Bailey on Wednesday, August 19 at Noon CT as they discussed what employers should be aware of when responding or reacting to these topics in the workplace, how to identify conduct that is severe enough to trigger lawful discipline, and what legal parameters are at play.
