

# COVID-19: What Illinois Contractors Must KNOW and DO NOW

## Event

Amundsen Davis, Webcast

April 9, 2020 | 1:00 PM- 2:00 PM CT

Contractors are being bombarded with information. Join Dennis Cotter and Matt Horn on Thursday, April 9 at 1:00 PM CT as they cut through the noise and identify the steps contractors must take now to protect their businesses and their employees. They will also provide practical advice to keep your projects moving and field your questions during a Q&A. Specific topics include:

- Contract issues related to delay claims, material shortages, suspension/ termination, force majeure and related
- Worker safety and OSHA/CDC compliance
- Insurance issues and potential claims.

We hope you can join us!
