

Are Your Electronic Signatures and Digital Process Enough?

Event
WaiverSign; Webcast
November 29, 2022

The world is quickly moving towards doing nearly everything in a digital format. Are electronic waivers and signatures as effective as reading and signing paper documents? How should I file my electronic documents to quickly find them when necessary? How does online waiver software work and what are the best options?

Join Max Goodman and WaiverSign CEO, Brandon Lake, as they answer some popular questions around electronic signatures.

During this webcast, you'll learn:

- How electronic documents and signatures are viewed legally
- 6 benefits to using a digital waiver process
- What the online signing process looks like
- How and when to collect digital waivers
