Lorman; Webcast

March 28, 2024 | 12:00 - 1:05 PM CT

Join Jeff Glass for an informative webcast to learn when IRS Section 409A applies to employment agreements and understand the essential requirements to comply with this crucial regulatory provision. Given the constant changes with restrictive covenants, it's important employers are up-to-date with the legal developments.

Learning objectives of the webcast include:

- You will be able to identify when IRS 409A applies to employment agreements.
- You will be able to review the latest developments and proposed rules and legislation.
- You will be able to explain changes to non-complete clauses for non-supervisory employees.
- You will be able to explore tips for protecting your companies confidential and proprietary information.
