

FAA Enforcement Process

Speaking Engagement
EAA; Webcast
September 22, 2022

In a recent webcast, Alan Farkas covered the FAA enforcement process for certificate holders facing alleged violations of the Federal Aviation Regulations. This is helpful for all airmen and certificate holders, as it covers what can be expected from a possible enforcement action. Alan was joined by attorney James Cooling of Cooling & Herbers, P.C.

EAA Members can view the video at the link below.

Experimental Aircraft Association (EAA) was founded in 1953 in Milwaukee, Wisconsin as a group to organize and assist amateur aircraft builders. They currently have over 250,000 members.
