

Legal and Regulatory Update - Preparing for 2025

Speaking Engagement

Indianapolis, IN

August 20, 2024

Event Sponsor: Indiana Health Care Association/Indiana Center for Assisted Living (IHCA/INCAL)

This presentation is tailored for leadership, administrators, and compliance officers for post-acute care, assisted living, and senior housing providers. It will briefly discuss a wide range of legal and regulatory developments as well as administrative and policy proposals. The presentation will provide a practical perspective on these developments to assist leadership focused on compliance as well as quality care.

Learning objectives include:

- An awareness of important federal and state developments from the past year.
- An awareness of developments requiring new or updated risk assessments and action plans.
- Advance notice about developments and proposals that will require preparation and changes in operations.
- An awareness of the increasing expectations of regulatory enforcement authorities.
