

Secure Your Secrets, Button Up Your Brands, and Patent to Protect Your Profits

Event

Radisson Hotel & Conference Center; Green Bay, WI

November 14, 2017

This premier business summit is attended by 400 small business owners from all over northeast Wisconsin to learn from experts, network with other small business owners, and gain momentum to successfully maintain their businesses. Topics covered at this summit will include intellectual property, social media, sales, search engine optimization (SEO) and many other subject matters that relate to the summit's theme, "A Day to Invest in Your Business". Join Joe Heino for his program, which will address key considerations for businesses to protect their IP assets.
