

The Impact of Regulation A+ on Real Estate Development

Speaking Engagement
Lorman Webcast
August 31, 2017

Michael Van Someren and Mark G. Kmiecik held a in depth discussion covering Regulation A+ rules, including how they can be used to facilitate real estate projects, how to use these rules to raise capital from accredited investors, and the process required to complete a Regulation A+ offering.

Because Mike Van Someren is a faculty member for Lorman, Davis & Kuelthau's guests receive 50% off the registration fee. Please visit this link for more program details: <http://www.lorman.com/live-webinar/396573>
