

Defended and Prosecuted Counterclaims on Behalf of a Client in a Dispute Against Business Partner

Amundsen Davis represents public and closely-held corporations and their officers and directors, as well as condominiums boards, in a variety of disputes including but not limited to claims of Fraud, Breach of Fiduciary Duty, Breach of Contract, and Products Liability.

Before the Circuit Court of Cook County, Amundsen Davis defended as well as prosecuted counterclaims on behalf of a 50 percent owner of a Limited Liability Company in a dispute against his business partner. The litigation involved derivative actions on behalf of the company and crossclaims for Breach of Contract, Fraud, Breach of Fiduciary Duty, Conversion, Unjust Enrichment, and Dissociation and Dissolution under Illinois' LLC Act. Following months of negotiations, we successfully structured a settlement including a buyout of our client's interests and resolution of all pending litigation matters.
