

Michael Cortina Obtains Dismissal for DuPage County

Michael Cortina, acting as a Special Assistant State's Attorney, recently obtained a dismissal, with prejudice, on behalf of DuPage County on a case where the plaintiff sought over \$250,000.00 in claimed damages.

Mike argued that the plaintiff in the case lacked standing to sue, and that the fraudulent activity asserted by the plaintiff mattered not because the plaintiff was not a proper party to the case.
