

Alan Farkas Attends Oshkosh 2018

August 15, 2018

Each year, the EAA hosts its annual AirVenture Oshkosh event – an annual gathering of aviation enthusiasts, bringing in over 500,000 attendees and 10,000 airplanes, at the Wittman Regional Airport in Wisconsin.

Our attorneys regularly attend the event, and this year was no exception. Aerospace partner Alan Farkas was onsite, meeting with aircraft aficionados of all ages. As Chairman of the EAA Legal Advisory Council, he provided complimentary consultations at the event and led two forums, including “Hot Aviation Legal Issues” and “Avoiding Pitfalls Buying and Selling Aircraft” and spoke on a panel discussing pending aviation legislation.

Read about past AirVenture events from Alan's point of view from 2017 and 2016.
