October 17, 2024

Amundsen Davis extends its congratulations to attorney Tiffany Woelfel, who has been recognized as a member of the 2024 Wisconsin Law Foundation Fellows Class.

The Wisconsin Law Foundation, the State Bar of Wisconsin's charitable organization, aims to advance the legal profession, promote justice, and improve legal education through community involvement and the funding of educational programs.

This fellowship distinguishes members of The State Bar of Wisconsin who have excelled in their practices, demonstrated leadership, and committed to serving their communities. Only 2.5% of State Bar of Wisconsin members are admitted to the fellowship. New members are nominated by the current Fellows class.

Tiffany joins firm attorneys Sherry Coley, Matt McClean, Liz Miles, Kathy Nusslock, Lisa Bridge, and Gini Hendrickson as Fellows of the Wisconsin Law Foundation.
