

Brian Randall Quoted by *BizTimes* on \$450 Million Battery Storage System Proposed on Milwaukee's Northwest Side

Media Mention

BizTimes Milwaukee Business News

October 2, 2023

Brian Randall was quoted by *BizTimes* from his participation in the Milwaukee Plan Commission meeting on why his client chose the location on Milwaukee's northwest side for their \$450 million, 300-megawatt lithium-ion battery storage system. The plan has already been unanimously approved by the commission and it will generate around 250 construction jobs.

You can read the full article, including Brian's quote, on the *BizTimes* website.
