

Joe Carlasare Discusses Binance's Recent Lawsuit With the Commodity Futures Trading Commission

Media Mention

The Bitcoin Layer

March 31, 2023

In a new podcast, Joe Carlasare discussed Binance's recent lawsuit with the Commodity Futures Trading Commission (CFTC) with Joe Consorti from *The Bitcoin Layer*. Joe also offered his insight on the potential for additional suits by the SEC and DOJ, Justin Sun's various crypto fraud cases, the Ripple x SEC timeline, the recent Well's Notice served to Coinbase and why it's much easier to cut off banking partners if you're trying to kill crypto than going after individual companies.

You can view the full *The Bitcoin Layer* podcast [here](#).
