

The *Bei Bei* Documentary: A Story of an Immigrant Woman and Her Attorney's, Linda Pence, Uphill Battle for Justice

Media Mention
November 13, 2018

Linda Pence recently attended the premiere screening of *Bei Bei*, a documentary about the Bei Bei Shuai case she handled several years ago. This legal drama captures Linda's fight to defend Bei Bei Shuai, a Chinese immigrant woman charged with feticide and first degree murder. Bei Bei's case shines a new light on reproductive justice, immigrant rights and criminal justice reform that can be replicated across the nation as women's rights continue to be challenged.
