

Where there are drones, lawyers soon follow - *Crain's Chicago Business* Interviews Brandt Madsen

Media Mention
Crain's Chicago Business
August 7, 2015

Crain's Chicago Business interviews Brandt Madsen in "Where there are drones, lawyers soon follow." Brandt comments on the growing drone industry, saying that "it's an enormous new revenue stream." He also mentions that the new work for lawyers will include representing drone manufacturers, transactional work and product liability.
