

A Guide to Being Media Savvy – Best Practices to Safeguard Your Public Image

Better Business Magazine
Summer 2020

“One of the most valuable assets your business controls is its public image.” Ryan Jacobson recently published an article in *Better Business Magazine* where he details the do’s and don’ts on how to combat negative publicity. Ryan goes on to list what situations would require a rapid response and when it may be time to strategize.

The full article can be read here from the Summer 2020 issue of *Better Business Magazine*.
