

Attorney: LHFE Programs In Danger Due To Misperceptions

Aero News Network's 'Propwash' Daily News Brief
October 14, 2019

In his article for *Aero News Network's 'Propwash' Daily News Brief* titled, "Attorney: LHFE Programs In Danger Due To Misperceptions," Alan Farkas comments on the misconceptions surrounding the B-17 accident in Windsor Locks, and why the commentary may misconstrue the benefits of the Living History Flight Experiences (LHFE), their clean safety record, and the intense oversight provided by the FAA. He states "this accident was indeed tragic. But sensationalizing the tragedy for personal gain does a disservice to our nation. Let's not compound this tragedy by stifling a valuable program that has been safe, tremendously beneficial, and well-regulated."
